Data Controller: A38 Kulturális Közhasznú Nonprofit Kft. (1052 Budapest, Régiposta u. 7-9.)

The Data Controller, as the coordinator of the application, handles the data provided by the Data Subject, and manages the full administration of the application.

Data Subject: a candidate who applies for the “Danube Sounds” contest announced on the electronic/online platform of the Data Controller, and who, along with the application, provides their personal data, transfers use and licensing rights of the work created during the application, and thus participates in the contest.

Personal data provided by the Data Subject:

- last name,
- first name,
- age,
- nationality,
- place of residence,
- e-mail address

The purpose of data management is to identify the Applicants for the “Danube Sounds” contest in order to perform the tasks of evaluation, mentoring, and selection and to ensure the use and licensing rights of works created within the framework of the application.

The starting date of the data management is the date the Data Subject gives the Declaration of Consent, and its duration is the existence of the purpose of the data management, the administration of the application, the announcement of the application results, and the closing of the application. Personal data are deleted upon termination of the purpose of data management, or if requested by the Data Subject.

By accepting the Declaration of Consent, the Data Subject expressly consents to their personal data being handled by the Data Controller in accordance with the data management rules.

The Data Controller declares that the personal data related to the Data Subject, in accordance with hereby defined data management rules, are subject to the provisions of Act CXII of 2011 of Hungary on the Right of Informational Self-Determination and on Freedom of Information, and the Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data.

In accordance with the purpose of data management, the provision of data by the Data Subject is voluntary. The consent of the Data Subject provides the legal basis for data management and data transfer.

The Data Controller must ensure that data cannot be accessed by anyone other than Data Controller and those specified in the call for applications, unless otherwise required or provided by law or it is approved by the Data Subject.

The Data Subject has the right to obtain information about the handling of their personal data and to request their personal data to be corrected or deleted.

Only individuals who meet the conditions set out in the call for applications and are 18 years of age or older at the time of submission may participate in the Application.

The Applicant shall bear the full responsibility for the accuracy and completeness of the data provided. The Data Controller shall not be liable for any consequences of wrongly or erroneously provided data.

Further information on data management can be found in the Personal Data Management Policy on the Company's website (www.a38.hu).
